

# WILD GOOSE CHASE

Join our road trip adventure to discover the special, unique, and weird sites across our council region and beyond. Girls and their families or troops can take road trips to locations that make our communities unique and achieve the Wild Goose Chase patches.

## HOW TO PARTICIPATE:

1. Decide which Wild Goose Chase your family will embark on; there are five different maps based on our council's regions.
2. Girl Scouts will then read the clues and, with the help of Google, find each location.
3. Gather your Wild Goose Chase team, pack a picnic, select your car ride playlist, and document plenty of photos on your travels. (Use #GSEIWIWildGooseChase and tag @gseiwi on Instagram and Twitter!)
4. Complete your map? Scan the QR code to submit your photos and tell us about your Wild Goose Chase experience! Patches will be available for purchase at the [Girl Scout shops](#).

Submit your photos!

## HELPFUL TIPS:

- Daisy, Brownie, and Junior Girl Scouts should work together with their families or troop leaders to chart where to go and in what order.
- Cadette, Senior, and Ambassador Girl Scouts should go “old school” and use a paper map! Using the map, girls should direct their parents or guardians to find each location.
- Parents and guardians can scan the QR Codes on the map to identify the correct locations if needed. This challenge is on your honor so remember to be honest and fair Girl Scouts.
- The majority of experiences are free. A dollar sign on the clue will indicate if there is a small cost to attend the location.
