Girl Scouts of Eastern Iowa and Western Illinois currently serves 39 counties providing leadership opportunities to girls throughout the council! Currently we have slightly over 3000 registered adult members and volunteers and a little over 10,000 registered girls in our individually registered, in traditional troops, and in outreach troops! The mission of Girl Scouts is to provide an inclusive and safe place where girls can focus on Courage, Confidence and Character.

The Cookie Program is the world's largest girl lead entrepreneurial program! This program is iconic and one of the first things people think about when they hear or see Girl Scouts. This program helps girls develop 5 essential skills. These skills are Business Ethics, Decision Making, Goal Setting, Money Management and People Skills.
