STEP 1

Register for Digital Cookie

Look for the Digital Cookie registration email in your inbox. If you can't find it, contact your council or visit **digitalcookie.girlscouts.org** and click the "Need help to log in" link.

STEP 2

Set Up Your Troop's Site

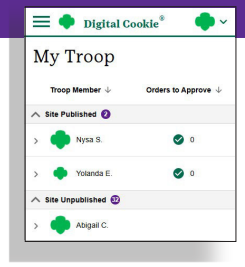

Have the troop decide what message they want to share with customers and add it to their site.

The troop site must be set up before you can share your shipped-only link on the Cookie Finder or use the mobile app for booth sales.

STEP 3

Monitor Girl Scout's activity

On the My Troop page, you can see which Girl Scouts have set their goal and published their site. Then track to see which Girl Scouts have orders to approve and what cookies they will need.

In Season

Download the Digital Cookie app to help Girl Scouts process payments at cookie booths.

Your troop's site must be published before girls can use the mobile app for troop sales.
