

2022 Cookie Program Family Cookie Guide

Are you ready for a unique cookie season? We are! Every girl who participates will learn useful life skills, gain confidence, and discover her leadership skills. Selling cookies also means fun, friendship, and a chance to change the world—sweet!

Girl Scouts have many options to stay safe and sell cookies through other contactless methods. Digital Cookie, virtual booth sales, contactless payments, and door-step delivery will allow girls and Troops to continue with the Cookie Program in 2022. We are all in this together; we've got this!

Benefits for girls

The Cookie Program is vital to the Girl Scout mission of building girls of courage, confidence, and character. After the costs for baking the cookies and program logistics (like transporting them), 100% of the proceeds earned for each package is reinvested in Girl Scouts of Eastern Iowa and Western Illinois!

Cookie proceeds help support many aspects of Girl Scouting, including:

- Keeping camp affordable by subsidizing the registration cost
- Supporting the Girl Scout Leadership Experience which includes programming and events
- Providing grants to girls and troops with financial barriers

Where do the proceeds go:

All proceeds stay in our local council!

60% is invested in girls through programs, properties, volunteer support & training, financial assistance, and council services.

21% goes towards the Girl Scout Cookie Program and baker costs.

19% goes towards troop proceeds and girl rewards.

Digital Cookie

Digital Cookie is an online program that helps girls manage their cookie sales. On January 5, 2021, every family of a registered Girl Scout will receive an email to set up her account. These emails have a unique registration link only for her sale! Girls will then be able to log into the platform and set up their page and contacts.

Understanding online sales in Digital Cookie

Customers can place orders to purchase cookies for direct shipping, place orders for girl delivery, or purchase cookies to donate to the Care to Share Program. And girls can use Digital Cookie to take contactless credit card payments for in-person sales like going door-to-door in her neighborhood.

Girl-delivery orders

Customers place an order online through her Digital Cookie link and pay online with a debit or credit card. Then, the girls deliver the cookies. After receiving an order, girls will use their own inventory that was transferred from the Troop Product Manager.

Direct-ship orders

Customers place an order online through her Digital Cookie link and then the cookies are shipped directly from the baker. The payment for these orders is taken at the time the customer places the order.

Credit card payments

Girls can accept contactless credit card payments through Digital Cookie using a mobile device when selling door-to-door or during an individual sale. These payments are credited directly to the Troop Cookie Program account.

There are three main options for selling with Digital Cookie!

1. Send Digital Cookie Link

Girls can send their unique links to friends and family through email and social media.

2. Send E-Cards

Girls can send an email directly through Digital Cookie to contacts for direct-ship and girl-delivery orders.

3. Mobile App

Girls can track sales and take contactless credit card orders.

Girls who send 10 emails through Digital Cookie on January 7, 2022 (Go-Day) and add a photo or video to their site will be entered into hourly drawings for special prizes starting at 1:00 p.m. Make sure you like Girl Scouts of Eastern Iowa and Western Illinois on Facebook and start sending emails right away.

Download the Digital Cookie app to simplify the sale!

The app enables girls in the Girl Scout Cookie Program to bring their cookie business online as they take customer orders and grow their digital marketing skills. Girls can use the app to take contactless online payments for online and in-person orders. The mobile app is free to use, too! You'll need a secure internet connection when using the app and data transfer charges might apply.

Check out what's new with Digital Cookie!

New this year, parents are able to place their initial cookie order in Digital Cookie. The deadline for parents to do this is January 23, 2022. Troop Product Managers then have until January 25, 2022, to order cookies. Parents can request extra cookies above what they have orders for to sell once the in-hand part of the sale begins. Remember that parents are financially responsible for all cookies ordered.

Parents can now also view and choose their Girl Scout's Cookie rewards on her Digital Cookie site.

Ways to sell cookies

Digital Cookie

Participating in Digital Cookie has never been so fun and exciting! Girls can build an avatar, set up their online storefront, and start sending emails to family and friends in a matter of minutes.

Cookie Booths

Help your troop operate stations in public spaces like churches, grocery stores, and retailers. Troops can even get creative and host drive-thrus at public parking lots! Troops can start signing up for council-sponsored booth sales on January 15, 2022.

Virtual Cookie Booths

Assist your Troop in a virtual Cookie Booth! Troops collect money through an online payment source, like Venmo or Digital Cookie, and then arrange for contactless deliveries or pick-ups.

Order taking

Take customer orders on your order card and return them later to deliver the cookies and collect money. Money can be collected through an online payment method such as Digital Cookie, Venmo, PayPal, etc. as long as the funds are returned to her Troop.

Door-to-door sales

Load up the sled or wagon or turn the family van into a cookie mobile to canvas the neighborhood! Remember to wear Girl Scout uniforms or swag and visit neighbors again before the sale ends so they can stock up. Participate in Walkabout Weekend March 18-20!

Workplace sales

With employer permission, leave an order card (not cookies) at a family member's workplace. Ask your Girl Scout to write a short paragraph about herself and her goals in the program to leave with the order card!

Business to business sales

During the troop cookie meeting, the girls may express interest in selling cookies to organizations like real estate agencies, car dealerships, and other businesses. Please contact your Troop Product Manager for more details!

Lemonade Stands

Set up in front of a Girl Scout or family member residence. An adult must be present to ensure safety.

Care to Share

Throughout the entire sale, customers can choose to donate their cookies instead of receiving them. You would collect their order under the "donation" column on the order card or through Digital Cookie.
