

Girl Scout Summer Camp

CAMP GUIDE

Camp Liberty | 2025

Welcome to Camp Liberty!

Nestled on 245 wooded acres in New Liberty, Iowa, Camp Liberty is a special place for all Girl Scouts to explore the outdoors and just be themselves. Summer camp programs are designed to challenge Girl Scouts to find independence, create friendships, and take risks in a safe and supportive environment.

Call 800-798-0833 or send an email to Info@GirlScoutsToday.org with questions about Girl Scout summer camp. Every girl should have the opportunity to experience the outdoor program, and our staff is trained and ready to help accommodate any needs.

Registration opens for summer camp on February 3, 2025 at 6:00 a.m. on GirlScoutsToday.org.

Campers Get Ready!

Girl Scout summer camp is a unique space where Girl Scouts come together from across the council with different backgrounds, abilities, and experiences to have fun and learn new skills. Our trained and caring staff members support campers in discovering who they are and what they can become. Each activity is designed to support the following outcomes in every camper:

Strong Sense of Self

Campers have confidence in themselves and their abilities, and form positive identities.

Positive Values

Campers act ethically, honestly, and responsibly, and show concern for others.

Challenge Seeking

Campers take appropriate risks, try things even if they might fail, and learn from mistakes.

Healthy Relationships

Campers maintain healthy relationships by communicating their feelings directly and resolving conflicts constructively.

Community Problem Solving

Campers desire to contribute to the world in purposeful and meaningful ways, learn how to identify problems, and create "action plans" to solve them.

Overnight Accommodations

Camp Liberty offers a variety of accommodations that allow campers to be close to nature while still experiencing some of the comforts of home.

Modern Cabins

Clover, Violet, and Sunflower are climate-controlled cabins and have a large bunk room and sleep 20 campers in bunk beds. Camp counselors sleep in a separate room adjoining the bunkroom. The cabins also have full restrooms and electricity.

Mini Barns

Horseshoe Bend is just across the path from our Equestrian Center. Each barn can host six campers. Camp counselors stay in their own mini barn. This unit has a full restroom and electricity.

Rustic Cabins

Outpost and Prairie's Edge are units with mini cabins that each sleep four campers on cots with mattresses. Camp counselors stay close by in mini cabins of their own. These units have full restrooms. There is electricity in the unit houses and restrooms, but not in the individual cabins.

The Woodlands is a unit with custom-designed cabins that each sleep six campers on bunkbeds. The unit has electricity and a vault toilet. Counselors stay in a cabin attached to the camper cabins.

Platform Tents

North Star sits right next to Flint Lake and uses the Swift Learning Center as the Unit House. North Star has fully screened platform tents with solid roofs and canvas coverings. Camp counselors stay close by in their own tent. This unit has port-a-potties. There is electricity in the Unit House but not in the individual tents.

The American Camp Association accredits Camp Liberty. This prestigious national organization sets high standards for the health and safety of campers and staff and the quality of programs.

Tips for Registering

Individuals

Girl Scouts attend summer camp on their own, at a time that fits their schedules. Girl Scouts do not need to attend with their troops to experience the fun of summer camp. Because most Girl Scouts are attending individually, camp is a great opportunity to make new friendships that will last a lifetime.

Buddies

Girl Scouts are invited to bring friends to summer camp! Their buddies can already be Girl Scout members or they can invite a friend who hasn't joined yet. After registering, add your buddy's name to the general information section of the Health Profile. Both campers will need to have their buddy listed to be paired together. We are unable to accommodate groups of three or more.

Non-members

Every girl is invited to summer camp! Whether she is attending on her own, or as a buddy she can find the perfect session for summer fun! Girls who are not already members of Girl Scouts can join for \$25 (without being in a troop). Then, they can sign up for summer camp and will also be invited to join outdoor events throughout the year. Any girl who joins to attend summer camp does not need to join a troop, but our membership team is happy to help her find one.

Need To Know Info

Session grade levels are based on the grade campers will be entering in the upcoming 2025-2026 school year. For example, first graders who are currently Daisies should look at Brownie sessions for grades 2-3.

Overnight sessions begin with Brownie sessions for Girl Scouts entering grades 2-3 in the 2025-2026 school year.

Unless indicated as a mini or extended session, overnight camps run Sunday-Friday.

Check-In Times:

- * Campers in grades 2-5: check-in at 3:00 p.m. on the start date of their session
- * Campers in grades 6-8: check-in at 2:00 p.m. on the start date of their session
- * Campers in grades 9-12: check-in at 1:00 p.m. on the start date of their session
- * Mid-week/Wednesday check-ins are at 2:00 p.m. for all ages

More details for the check-in process can be found in the Family Camp Handbook on GirlScoutsToday.org/summercamp.

Very Important Camper

The Very Important Camper (V.I.C.) Program provides current campers priority registration for summer camp the following year. With high demand, and the potential to hit session capacity, advance registration will help your camper secure their spot.

When you arrive to drop off your camper, you will receive information about becoming a V.I.C. All V.I.C.s must have an active Girl Scout membership for the summer they will be attending camp so make sure to renew your camper's Girl Scout membership.

Sign Up Tips

Review this guide with your camper in advance of registration opening.

- 1 If she wants to attend with a buddy, make sure the other family is registering for the same session and names your camper as a buddy as well.
- 2 Registration for summer camp opens on February 3, 2025 at 6:00 a.m. Typically, many sessions fill on the first day of registration.
- 3 A waitlist will be available for full sessions. All registrations require a \$60 non-refundable deposit that will be applied to the total camp fee.
- 4 Non-members or non-renewed members will pay an additional \$25 Girl Scout membership fee.
- 5 After completing summer camp registration, visit GirlScoutsToday.org/summercamp and download a copy of the Family Camp Handbook or scan the QR code below.

This handbook has all the important information your family needs to prepare your camper for their summer camp experience.

Family Camp Handbook

Payment

Our goal is to ensure every Girl Scout has the opportunity to attend summer camp! To accommodate all families, there are three pricing levels. Choose the tier that is most suitable for your family. Each household makes this decision, and additional financial documents will not be required. When you register, you will be asked to select the tier your family can afford:

Tier A reflects the true cost of camp, including staff expenses, maintenance, food, program, and supplies.

Tier B is a partially subsidized rate but closely reflects the costs associated with camp.

Tier C is our standard subsidized fee, supported by other revenue sources, donations, and grants.

With the CampDoc registration process, caregivers will see the full cost of camp. Use code TIERB for tier B pricing and code TIERC for tier C pricing at checkout. Please send an email to Info@GirlScoutsToday.org or call 800-798-0833 for more information about additional camper grants available.

A \$15 fee will be added for disputed charges and a \$35 fee will be added for declined payments for summer camp.

Girl Scouts can use program credits earned through the Fall Product and Cookie Programs to attend summer camp. Program credits cannot be used toward the initial, non-refundable deposit but can be applied later to the total camp fee in the registration system.

**The deadline to pay for camp sessions in full is
May 6, 2025.**

Trading Post

Girl Scouts can purchase apparel, souvenirs, toys, camping supplies, toiletries, and more at the Camp Liberty Trading Post. When checking in, caregivers can bring cash or checks for their campers to use at the Trading Post while at their summer camp session.

Caregivers need to bring cash or checks for their campers to use in the Trading Post. When checking in, camp staff will safely place the cash or check into the camper's envelope, which will be securely stored at the Trading Post. Caregivers can indicate on the envelope how much program credit their camper can use at the store or how much should be reserved for emails.
