

The background is a stylized illustration of a forest. It features various shades of green for the foliage of the trees, with some trees having brown trunks. In the foreground, there are several purple flowers with five petals and dark green leaves. A brown wooden signpost with an arrow pointing to the right is visible in the lower-left corner. The sky is a light teal color with three simple black outlines of birds flying in the upper-left corner.

Welcome to Camp Liberty!

Nestled on 245 wooded acres in New Liberty, Iowa, Camp Liberty is a special place for all Girl Scouts to explore the outdoors and just be themselves. Summer camp programs are designed to challenge Girl Scouts to find independence, create friendships, and take risks in a safe and supportive environment.

Call 800-798-0833 or send an email to Info@GirlScoutsToday.org with questions about Girl Scout summer camp. Every girl should have the opportunity to experience the outdoor program, and our staff is trained and ready to help accommodate any needs.

Campers get ready!

Girl Scout summer camp is a unique space where Girl Scouts come together from across the council with different backgrounds, abilities, and experiences to have fun and learn new skills. Our trained and caring staff members support campers in discovering who they are and what they can become. Each activity is designed to support the following outcomes in every camper:

Strong Sense of Self

Campers have confidence in themselves and their abilities, and form positive identities.

Positive Values

Campers act ethically, honestly, and responsibly, and show concern for others.

Challenge Seeking

Campers take appropriate risks, try things even if they might fail, and learn from mistakes.

Healthy Relationships

Campers maintain healthy relationships by communicating their feelings directly and resolving conflicts constructively.

Community Problem Solving

Campers desire to contribute to the world in purposeful and meaningful ways, learn how to identify problems, and create "action plans" to solve them.

**Registration opens for summer camp on February 2, 2026
at 6:00 a.m. on GirlScoutsToday.org.**

Register for Camp

- ✓ Review this guide with your camper in advance of registration opening.
- ✓ If she wants to attend with a buddy, make sure the other family is registering for the same session and names your camper as a buddy as well.
- ✓ Registration for summer camp opens on February 2, 2026 at 6:00 a.m.
- ✓ A waitlist will be available for full sessions.
- ✓ All registrations require a \$60 non-refundable deposit that will be applied to the total camp fee. Non-members or non-renewed members will pay an additional \$45 Girl Scout membership fee.
- ✓ After completing summer camp registration, visit GirlScoutsToday.org/summercamp and download a copy of the Family Camp Handbook or scan the QR code below.
- ✓ This handbook has all the important information your family needs to prepare your camper for their summer camp experience.

The American Camp Association accredits Camp Liberty. This prestigious national organization sets high standards for the health and safety of campers and staff and the quality of programs.

Tips for Registering

Individuals

Girl Scouts attend summer camp on their own, at a time that fits their schedules. Girl Scouts do not need to attend with their troops to experience the fun of summer camp. Because most Girl Scouts are attending individually, camp is a great opportunity to make new friendships that will last a lifetime.

Buddies

Girl Scouts are invited to bring friends to summer camp! Their buddies can already be Girl Scout members or they can invite a friend who hasn't joined yet. After registering, add your buddy's name to the general information section of the Health Profile. Both campers will need to have their buddy listed to be paired together. We will do our best to accommodate groups of 3 or more.

Non-members

Every girl is invited to summer camp! Whether she is attending on her own, or as a buddy she can find the perfect session for summer fun! Girls who are not already members of Girl Scouts can join for \$45 (without being in a troop). Then, they can sign up for summer camp and will also be invited to join outdoor events throughout the year. Any girl who joins to attend summer camp does not need to join a troop, but our membership team is happy to help her find one.

Need to Know Info

Session grade levels are based on the grade campers will be entering in the upcoming 2026-2027 school year. For example, first graders who are currently Daisies should look at Brownie sessions for grades 2-3. Overnight sessions begin with Brownie sessions for Girl Scouts entering grades 2-3 in the 2026-2027 school year. Unless indicated as a mini or extended session, overnight camps run Sunday-Friday.

Check-In Times:

- Campers in grades K-5 check in at 2:00 p.m. on the start date of their session
- Campers in grades 6-12 check in at 1:00 p.m. on the start date of their session
- All EQUESTrians (grades 5-6) check in at 2:00 p.m. on the start date of their session
- All He & Me & She & Me sessions check in at 5:00 p.m. on the start date of their session
- All troop camp sessions check in at 1:00 p.m. on the start date of their session

More details for the check-in process can be found in the Family Camp Handbook.

Payment

Our goal is to ensure every Girl Scout has the opportunity to attend summer camp! To accommodate all families, there are three pricing levels. Choose the tier that is most suitable for your family. Each household makes this decision, and additional financial documents will not be required. When you register, you will be asked to select the tier your family can afford:

Tier A reflects the true cost of camp, including staff expenses, maintenance, food, and supplies.

Tier B is a partially subsidized rate but closely reflects the costs associated with camp.

Tier C is our standard subsidized fee, supported by other revenue sources, donations, and grants.

With the CampDoc registration process, caregivers will see the full cost of camp. Use code TIERB for tier B pricing and code TIERC for tier C pricing at checkout. Please send an email to Info@GirlScoutsToday.org or call 800-798-0833 for more information about additional camper grants available.

Credit Card Payments & ACH Payments

To continue offering flexible payment options, we will begin passing on processing fees for credit card and ACH payments:

- Credit Card payments will incur a fee of 3.95% + \$0.30 per transaction.
- ACH payments (from a checking account) will incur a lower fee of 1.5% + \$0.50 per transaction.

To help make camp more accessible, the council will cover ACH fees for the 2026 camp season. Families choosing to pay by credit card will still be responsible for those fees.

A \$15 fee will be added for disputed charges and a \$35 fee will be added for declined payments for summer camp.

Program Credit

Girl Scouts can use program credits earned through the Fall Product and Cookie Programs to attend summer camp. Program credits cannot be used toward the initial, non-refundable deposit but can be applied later to the total camp fee in the registration system.

The deadline to pay for camp sessions in full is May 11, 2026.

Trading Post

Girl Scouts can purchase apparel, souvenirs, toys, camping supplies, toiletries, and more at the Camp Liberty Trading Post. When checking in, caregivers can bring cash or checks for their campers to use at the Trading Post while at their summer camp session.

Caregivers need to bring cash or checks for their campers to use in the Trading Post.

When checking in, camp staff will safely place the cash or check into the camper's envelope, which will be securely stored at the Trading Post. Caregivers can indicate on the envelope how much program credit their camper can use at the store or how much should be reserved for emails.

Pre-Order 2026 Summer Camp Exclusives

Girl Scouts attending summer camp can pre-order official 2026 merchandise! Your order will be ready for your camper in her unit on the first day of her session. The deadline to place your order is May 11, 2026.

Modern Cabins

Clover, Violet, and Sunflower are climate-controlled cabins and have a large bunk room and sleep 20 campers in bunk beds. Camp counselors sleep in a separate room adjoining the bunkroom. The cabins also have full restrooms and electricity.

Take a virtual tour of our Modern Cabins.

Mini Barns

Horseshoe Bend is just across the path from our Equestrian Center. Each barn can host six campers. Camp counselors stay in their own mini barn. This unit has a full restroom and electricity.

Take a virtual tour of the Mini Barns.

Rustic Cabins

Outpost and Prairie's Edge are units with mini cabins that each sleep four campers on cots with mattresses. Camp counselors stay close by in mini cabins of their own. These units have full restrooms. There is electricity in the unit houses and restrooms, but not in the individual cabins.

Take a virtual tour of Prairie's Edge.

The Woodlands is a unit with custom-designed cabins that each sleep six campers on bunkbeds. The unit has electricity and a vault toilet. Counselors stay in a cabin attached to the camper cabins.

Become a Very Important Camper!

The Very Important Camper (V.I.C.) Program provides current campers priority registration for summer camp the following year. With high demand, and the potential to hit session capacity, advance registration will help your camper secure their spot.

When you arrive to drop off your camper, you will receive information about becoming a V.I.C. All V.I.C.s must have an active Girl Scout membership for the summer they will be attending camp, so make sure to renew your camper's Girl Scout membership.

V.I.C. Benefits:

- ✓ Priority registration before general camp sign-up
- ✓ \$10 registration discount toward camp session(s) during the priority V.I.C. registration period
- ✓ Free pass to Halloweekend
- ✓ V.I.C. email newsletter with camp updates
- ✓ Exclusive V.I.C. Patch
- ✓ Opportunity to vote on camp t-shirt color

À La Carte Camp

À La Carte Camp offers a flexible, camper-choice experience where each morning begins with a fresh menu of activities. Campers can dive into adventurous outdoor fun, peaceful moments under the stars, and a week full of unforgettable memories. From Brownies to Ambassadors, Girl Scouts should choose this camp to experience classic summer camp activities like archery, canoeing, kayaking, paddleboarding, challenge elements, crafts, and so much more.

These programs are intentionally designed to let campers shape their own experience at camp. By choosing their own activities, campers practice decision-making, explore personal interests, and build confidence in their ability to direct their own journey. This self-led approach fosters a strong sense of self, empowering campers to discover what excites them, what challenges them, and what helps them grow. Supported by our “challenge by choice” philosophy, campers are encouraged to stretch beyond their comfort zones at their own pace, reinforcing resilience and self-awareness in a safe and supportive environment.

The Explore Outdoors series invites campers to trade routine for adventure. Campers will feel the crunch of a forest trail beneath their boots, the warmth of the sun on their shoulders, and the satisfaction of discovering new skills in the great outdoors.

These progressive camp sessions are designed to nurture both outdoor skills and personal growth. Campers start with the basics; learning to hike safely, build a fire, or read a map. They will gradually work their way toward overnight camping and multi-day backpacking adventures. Along the way, they gain more than just practical skills, they develop courage, independence, and a deep appreciation for the natural world.

Research shows that time spent outdoors builds resilience, reduces stress, and strengthens leadership and problem-solving skills. Through Explore Outdoors, campers also learn about conservation and environmental stewardship, helping them see how their actions can make a difference for their communities and the planet.

Every hike, campfire, and new challenge faced together helps build confidence that carries far beyond camp. When girls develop outdoor skills, they not only grow stronger in body and mind, they become leaders, advocates, and protectors of the world around them. Explore Outdoors is more than a summer experience, it's an invitation to discover a lifelong love of nature, adventure, and self-discovery.

Challenge Programs

Camp Liberty's summer challenge programs are all about growth through adventure. Campers begin with ground-level activities like low ropes courses, where they build teamwork, communication, and problem-solving skills in a safe and supportive setting. As their confidence grows, so do the challenges, progressing to the rock wall, zip line, high ropes, and even off-site adventure trips.

Each step is guided by our "challenge by choice" philosophy, encouraging campers to stretch beyond their comfort zones at their own pace. Whether they're climbing higher, stepping into a leadership role, or cheering on a teammate, girls are supported as they take on new challenges and discover their inner strength.

These experiences build more than just physical skills, they foster resiliency, courage, and a deep sense of accomplishment. Campers learn to face fears, take calculated risks, and trust in themselves and others. Along the way, they form lasting friendships and realize that with effort, encouragement, and a little adventure, they're capable of more than they ever imagined.

Partner Programs

Leave the busy schedules, screens, and everyday distractions behind and step into a world where the focus is on connection, adventure, and shared experiences. Our He & Me and She & Me partner sessions offer campers the chance to bring a parent, grandparent, or mentor to camp for a weekend filled with laughter, discovery, and meaningful time together.

Whether you're paddling across the lake, hiking a scenic trail, or trying your hand at archery, each activity is designed to be experienced side by side, encouraging teamwork, communication, and mutual support. Guided by our "challenge by choice" philosophy, campers and their adult partners are invited to stretch their comfort zones together, building resiliency and confidence through shared challenges and celebrations. These moments aren't just fun, they're the foundation for healthy relationships and a stronger sense of self. Campers learn to trust, express themselves, and navigate new experiences with someone they care about by their side. From campfire songs to gooey s'mores under the stars, every memory made helps strengthen bonds and create a lasting sense of belonging.

Adult & Me sessions are more than a weekend getaway, they're a chance to grow together, deepen connections, and discover the joy of camp through each other's eyes.

Troop Camp

Ready to give your Girl Scouts an unforgettable camp experience without the stress of planning every detail? Troop Camp at Camp Liberty is the perfect way to enjoy the magic of camp together while we take care of the logistics. You bring the girls and provide supervision; we provide the program, the meals, and all the fun.

Imagine your troop laughing around the campfire, exploring nature trails, trying archery, making crafts, and singing songs under the stars, all without worrying about packing gear or organizing activities. Our experienced staff lead engaging, hands-on experiences that encourage girls to try new things, take on challenges at their own pace, and grow through our "challenge by choice" approach.

Troop Camp is a chance for girls to build a strong sense of self, deepen friendships, and strengthen the bonds within their troop. As they navigate new adventures together, they develop resiliency, teamwork, and the confidence that comes from shared success and support.

Equestrian Sessions

Camp Liberty's horseback riding programs invite campers to grow alongside their horse partners in a safe, encouraging, and supportive environment. Whether they're just meeting horses for the first time or building on years of experience, every rider is empowered to take charge of her own journey.

Through hands-on experiences like grooming, caring for horses, and learning the discipline of riding, campers develop more than just horsemanship, they build confidence, independence, and a deep sense of responsibility. As girls set goals and work toward mastering new skills, they learn to embrace challenges, bounce back from setbacks, and celebrate progress at every step.

For younger campers, Pony Pals and Horsin' Around offer a fun and welcoming introduction to the barn. These programs help girls build comfort around horses, learn the basics of care, and begin developing the confidence that will carry them into future riding adventures.

Whether your camper is a beginner or a seasoned rider, every participant is encouraged to seek out new challenges, stretch her limits, and discover the pride that comes from growing through effort. The barn becomes a place where their resiliency is built, friendships are formed, and girls learn just how capable they truly are.

Leadership Sessions

The Leadership Series empowers high school campers to develop essential skills such as critical thinking, problem-solving, project management, and collaboration. All of which prepares them for success in college, careers, and community leadership. Campers will earn Girl Scout awards that recognize their achievements and set them on the path toward the Gold Award, the highest honor in Girl Scouting. Through these sessions, participants will tackle real-world environmental challenges with local conservation organizations and design sustainable solutions through group projects. They will also learn how to turn personal passions into leadership power, gaining confidence and the ability to inspire others.

Counselors-in-Training will take their leadership to the next level by working alongside certified staff to become “second generation” facilitators. Through a train-the-trainer approach, they will master communication, teaching and mentoring skills, practice guiding younger campers, and complete skill verifications to assist in leading camp activities. These experiences build public speaking, adaptability, and confidence in managing groups to preparing campers for leadership roles in school, clubs, and future careers. Additionally, they will develop interpersonal skills, responsibility, and the ability to create inclusive environments, all while reflecting on their growth as role models.

In the leadership series, campers will practice and demonstrate readiness for future leadership positions whether as camp staff, student leaders, or professionals in any field.

Join the Camp Liberty Team

Make a Difference This Summer!

Camp Liberty summer hiring is in full swing, and we're looking for passionate, energetic people to join our team! Working at camp isn't just a job, it's an adventure where you'll make lifelong memories, build incredible friendships, and develop skills that will set you apart in any career.

When you work at camp, you gain so much more than a paycheck. You'll strengthen leadership, communication, and problem-solving skills, learn how to adapt and think on your feet, and become a pro at teamwork and conflict resolution. These are the soft skills employers love—and you'll develop them while having the time of your life outdoors!

We're hiring a variety of entry-level positions, including camp counselors, equestrian specialists, lifeguards, and challenge course specialists. Looking for something more? We also have leadership roles like Engagement Manager, Aquatics Manager, Program Manager, Operations Manager, and more.

We are also looking for qualified healthcare providers to keep our campers healthy and safe at camp. Qualified individuals must be certified or licensed as a physician, PA, nurse practitioner, RN, LPN, EMT, paramedic, CAN or equivalent. Certification and training in MESH (Mental, Emotional and Social Health) fields are also beneficial. If you're ready to make an impact, inspire campers, and spend your summer in a place where every day brings new adventures, Camp Liberty is the place for you!
