

CAMP LIBERTY SONGS

Camp Liberty Song

Camp Liberty, we take off our hats to you,
To *Lumos and Tater* and the counselors too.
Here, we always have such fun,
Though the week is done, seems it's hardly begun.
Oh, we hike and we swim and we eat a lot!
And we never complain for what we haven't got.
Surely pass the test,
For the camp we love the best.
You'll always be our Girl Scout Camp.
Our Camp Liberty!

Come, Come

*Sang while fire is brought in
Three part round*
Come, come light up the fire
Come, come join in the ring
Here, love, dreams to inspire
Stories to tell, music to sing

Each Campfire Lights Anew

Sung once fire is lit
Each campfire lights anew,
The flame of friendship true,
The joy we've had in knowing you,
Will last our whole lives through.

And as the embers die away,
We wish that we might ever stay,
But since we cannot have our way,
We'll come again some other day.

Green Trees and Taps

Sung to close the day
Green trees around us, blue skies above,
Friends all around us, in a world filled with love.
Taps sounding softly, hearts beating true,
As we say, good night to you.

Day is done, gone the sun,
From the lakes, from the hills, from the sky,
All is well, safely rest, God is nigh.

On My Honor

Sung while forming arch
Chorus: On my honor, I will try,
There's a duty to be done, and I say 'Aye',
There's a reason here for a reason above,
My honor is to try and my duty is to love.

People don't need to know my name,
If I've done any harm than I'm to blame,
If I've helped another then I've helped me,
And I've opened up my eyes to see.

I've tucked away a song or two,
If you're feeling low, there's one for you,
If you need a friend, then I will come,
And there's many, many more where I come from.
Chorus

Come with me where the fire burns bright,
We can see much better by candle's light,
But, we'll find more meaning in a campfire's glow,
Then we'd ever learn in a year or so.

We've made a promise to always keep.
And we'll sing very softly before we sleep.
We'll be Girl Scouts together and when we're done..
They'll be trying and singing this song.
Chorus

Arch Songs- *Sung until the friendship circle is formed at Final Night while campers go through an arch of candles.*

Remember

Remember the fun you've had here,
Remember when you're away,
Remember the friends you've made here
And don't forget to come back some day
Remember around the campfire
The songs we love to sing
For you belong to Camp Liberty,
And Camp Liberty belongs to you.

Aloha

Aloha means we welcome you,
It means more than words can say.
Aloha means good luck to you,
Goodnight at the close of day.
It's just like a love song,
With its haunting sweet refrain.
Bringing you joy, Bringing you pain.
Aloha means farewell to you
Until we meet again.

May the Longtime Sun

May the longtime sun shine upon you
All love surround you
And the pure light within you
Guide you all the way on.

May your days be filled with laughter
Your nights serenity
As the moon shines upon you
Keep your heart warm.

Linger

Hmm-hmm, I want to linger here,
Hmm-hmm, a little longer here,
Hmm-hmm, a little longer here with you.

Hmm-hmm, it's such a perfect night,
Hmm-hmm, it doesn't seem quite right,
Hmm-hmm, that it should be my last with you.

Hmm-hmm, and come September,
Hmm-hmm, we'll all remember,
Hmm-hmm, our camping days and friendships true

Hmm-hmm, and as the years go by,
Hmm-hmm, I'll think of you and sigh,
Hmm-hmm, this is good-night and not good-bye.

Today- Year Pins

Chorus:

Today while the blossoms still cling to the vine,
I'll taste your strawberries
I'll drink your sweet wine.
A million tomorrows shall all pass away,
Ere I forget all the joy that is mine today.

I'll be a dandy and I'll be a rover,
You'll know who I am by the song that I sing.
I'll feast at your table, I'll sleep in your clover,
Who cares what tomorrow shall bring?

Chorus

I can't be contented with yesterday's glories,
I can't live on promises, winter to spring.
Today is my moment and now is my story
I'll laugh and I'll cry and I'll sing.

Chorus

Dreams- 5 Year Pins

Chorus:

May all of your dreams bloom like daisies in the sun
May you always have stars in your eyes
May you not stop running, not until your race is won
And may you always have blue skies

A dream is something you can make
To keep within your heart
To build on when you're glad
Or when your world's been torn apart
A dream is something all your own
That no one else can steal
A dream is something you can make come real

Chorus

You can share a laugh
With any stranger you may meet.
You can share your money
With a beggar on the street
But you can only share a dream
When love has set it free.
Please won't you share yours with me?

Chorus

I Know a Place- 10 & 15 Year Pins

I know a place where no one ever goes;
There's peace and quiet, beauty and repose;
It's hidden in a valley beside a mountain stream,
And lying there beside that stream
I find that I can dream

Only a place of beauty to the eye,
Snow-capped mountains towering in the sky;
Now I know that God made the world for me

One can imagine herself as in a dream;
Climbing up a mountain or down a long ravine;
The magic of this peace and quiet
Evermore shall stay
To make this place a haven each and every day.
Oh, how I wish I never have to leave
All my life such beauty to receive;
Now I know that God has made this world for me.

On the Loose- CIT Neckers

Chorus: On the loose to climb a mountain,
On the loose where I am free
On the loose to live my life
The way I think my life should be
For I've only got a moment
And the whole world yet to see
I'll be looking for tomorrow on the loose

Have you ever watched the sunrise turn the sky
completely red?
Have you slept beneath the moon and stars, a pine
bough for your bed?
Have you sat and talked with friends though a word
was never said?

Then you're just like me and you've been on the
loose

Chorus

There's a trail that I'll be hiking just to see where it
may go
Many places yet to visit, many people yet to know
For in following my dreams, I will live and I will grow
On a trail that's waiting out there on the loose
Chorus

So in search of love and laughter, I'll be traveling
through this land
Never sure of where I'm going for I haven't any
plans
So, in time when you are ready, come and join me,
take my hand
And together we'll share life out on the loose
Chorus

In this world that I'll be traveling
I will think of you this way
Remembering your smile,
For it seems like yesterday
That we sat beneath the stars
And we dreamed about today.
We've come together and we are on the loose!
Chorus

Birthday Rap

Half room goes "ooh ah ooh ooh ah"

Other half sings "you can do it, it's your birthday"

Hey you! Come over here!

We hear it's your birthday

And it's time to cheer.

You're another year older,

So, come cry on my shoulder

Cause you'll never be young again.

On this day now

You know how

Come over here and celebrate now!

You can do it, it's your birthday!

You can do it, it's your birthday!

The one that goes up and down

Someday I'm gonna get the bugler
Someday they're gonna find him dead

And stomp upon it heavily
And spend the rest of my life in
Bed, bed, bed, bed, sleep, sleep, sleep, sleep

(softly) Oh how I hate to get up in the morning Oh
how I hate to get out of bed *(loudly)*

It goes right through

Girl One Day

A girl one day, she ran away
To stay at a Girl Scout camp,
Each ringlet fair left her hair,
Each curly-curl went damp.

And there she washed the dishes,
And there she scrubbed the floor,

Until one sunny day,
While rowing on the bay,
She fell in all the way,
And she wrote home just to say....

Oh, I've got cuts on my fingers
And bites on my toes,
Sticks and Stones to sleep on,
And a red, red sunburnt nose.

But oh my dear family,
I'm writing home to say,
I'm having such a lovely time at camp today!

What can make a Hippopotamus smile?
Boom boom boom
What can make her walk for more than a mile?
Boom boom boom

It's not a tune on an old violin,
Or listening to the whistling wind
That's not what hippos do.

Chorus:

They ooze in the gooze without any shoes,
They wade in the water till their lips turn blue,
That's what hippos do.

What can make a hippopotamus smile?
Boom boom boom
What can make her walk for more than a mile?
Boom boom boom

Not slipping down a slip and slide
Or going on a bike ride.
That's not what hippos do.

Up in the air and upside down
Is it a bird, a plane, or a superman?
No its junior birdman, upside down

Knows that you sent your box tops in

And 1 thin dime

Up in the air and upside down
Is it a bird, a plane, or a superman?
No its junior birdman, upside down

Mrs. O'Malley

Mrs. O'malley, she lived in valley,

She had an ulcer I understand

So granny scrubbed it with her lye soap,

And now she has the cleanest ulcer in the land.

(Repeat after leaders)

So sing right out...

For granny's lye soap...

Sing aloud....

All over the place...

For pots and pans...

And dirty dishes...

For your hands...

and for your face.

Now, Brother Herman and Brother Sherman

Had an aversion of scrubbin' their ears.

So granny scrubbed um

With her lye soap,

and now they haven't heard a word in several years.

(Repeat after leaders)

So sing right out...

For granny's lye soap...

Sing aloud....

All over the place...

For pots and pans...

and dirty dishes...

For your hands...

Nonsense Song

I was born one night, one morn
When the whistle went "toot toot"
You can fry a cake or bake a steak
When the mud pies are in bloom.
Do six and six make nine?
Does ice grow on a vine?
Does ol man Joe live in the snow
In the good ol 'summertime?
You can loopy loop in your noodle soup
Just to give your socks a shine.
I'm guilty judge. I ate the fudge
Three cheers for Auld Lang Syne.

I can not tell a lie
I hocked an apple pie
It's in a tree beneath the sea
Above the bright blue sky.

If easter eggs don't wash their legs
their children will have ducks (quack, quack)
I'd rather buy a lemon pie for forty seven bucks.
Way down in Barcelona they fell into the phobia
now this is all baloneia
Padalooski blow your horn, toot toot!

Though I hate to admit it my attention was caught

Sarah the Whale

In Frisco Bay there was a whale
They fed her oysters by the pail,
By bathtub,
By teacup,
By thimble, and by schooner
Her name was Sarah and when she smiled
She just showed teeth for miles and miles
And tonsils,
And spareribs,
And things too fierce to mention.
Now what would you do with a whale like that
What would you do if she sat on your hat,
Or your toothbrush,
Or your counselor
Or anything else that's useless, like that.

There were three bears, cha, cha, cha
One was the Papa bear, one was the Mamma bear,
And one was the wee bear, cha, cha, cha

One day they were walkin' in the deep woods talkin'
When along, along,
Along, came a little girl with blonde hair,
And her name was Goldilocks,
And upon the door she knocks,
But no one was there, no no one was there

So she walked right in, had herself a ball,
She didn't care, no she didn't care
And when she got tired she went upstairs.
Home, Home,
Home came the three bears, cha, cha, cha

"Someone's been eatin' my porridge"
said the Papa bear
"Someone's been eatin' my porridge"
said the Mama bear
"Hey, baba, wee bear", said the little wee bear,

The story ends, she beat it out of there.

She threw them on the chair,
a ding dong
Now the chair is growing hair.

I saw her when she took them off,
a ding dong
She threw them on the floor, a ding dong
Now the mice have moved next door.

Percy the Pale Faced Polar Bear

Way up in the land of ice and snow
Where the temperature drops to forty below
Who's the friendliest one we know
Percy the Pale-Faced Polar bear Grr!

Sleeps all day and then at night
Catch a few fish by the pale moonlight
Has no worries, has no cares

Percy the Pale-Faced Polar bear Grr!

Then one day a hunter came
Grabbed poor Percy by the snout
Put him in a great big cage
Where he howled and he growled
but he couldn't get out

Now he's living in a zoo
Funny thing is he likes it too
Because he met his girlfriend Sue
And she loves...
Percy the Pale-Faced Polar bear Grr!

Then one day they found a key
Now their living wild and free
And they have a family
Percy the pale faced polar bear Grr!

Tarzan,
Swinging from a rubber band,
Tarzan,
Smacked into a frying pan,
Ooh that's hot,

Cheetah,
Rocking to the Beata,
Cheetah,
Got eaten by an amoebae,

And Jane has a pain
And Chetta is velveeta.
And our song has an end.

SLOW SONGS

Barges

Out of my window, looking in the night,
I can see the barges' flickering lights.
Silently flows the river to the sea,
And the barges' too go silently.

Chorus: Barges, I would like to go with you,
I would like to sail the ocean blue
Barges, have you treasures in your hold?
Do you fight with pirates, brave and bold?

Out of my window, looking in the night,
I can see the barges' flickering lights.
Starboard shines green
And port is glowing red.
I can see the barges' lights ahead.

Chorus

Out of my window, looking in the night,
I can see the barges' flickering lights.
Now is the time that I will soon be gone, And the
barges too go on and on.

Final Chorus:

Barges, I am sailing now with you,
I am sailing, now the ocean blue.
Barges, we have treasures in our hold,
And we fight with pirates, brave and bold.

SERENADE SONGS

Blowin' in the Wind

How many roads must a man walk down
Before you call him a man?
How many seas must a white dove sail
Before she sleeps in the sand?
Yes, and how many times must the cannonballs fly
Before they're forever banned?

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

Yes, and how many years must a mountain exist
Before it is washed to the sea?
And how many years can some people exist
Before they're allowed to be free?
Yes, and how many times can a man turn his head
And pretend that he just doesn't see?

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

Yes, and how many times must a man look up
Before he can see the sky?
And how many ears must one man have
Before he can hear people cry?
Yes, and how many deaths will it take 'til he knows
That too many people have died?

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

The moon in the heavens,

A place where people gather,
Make friends of all kinds
A place where old man trouble is always left behind

Chorus: So give me the light of the campfire
Warm and bright
And give me some friends to sing with

The moon at night,
The sun in the morning, shining so bright
A place where campers gather

Chorus

The Gift

I have a little present here for you
Inside this tiny bottle so very small and blue
Please do not uncork it cause everything'll get
away
And I thought you might like your own summer's day
Put it on away

I'd be pleased if you didn't ask why I gave this gift
to you
I don't know myself, did it on a whim
As the thought came running through
I just wanted to make you happy
In a summertime sort of way
And I thought you might like your own summer's day
Put it on away

Can you read the writing on this tiny bottle's wall?
I know that it's quite small, but I can read it all
It says she who is reading me is a-looking right at
my side
And might be sort of interested at what lies inside

There's be one breath of a butterfly
One ray from the sun
And lots & lots of laughter from little children's fun
Don't you dare uncork it, cause everything get
away
And I just wanted you to have a summer's day
Put it on away

That it's time we're aware
It's a small world after all

Chorus: It's a small world after all 3X

And I'll be your friend

For it won't be long
Till I'm gonna need somebody to lean on

If I have things you need to borrow
For no one can fill
Those of your needs that you won't let show
You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

Leprechaun

There lived in old Ireland, a wee little man
Who was known by the name of a Leprechaun
A fairy-shoemaker none other was he,
And he had the gift of wishes three

And I'm tellin' ye now should I meet him this day.
'Tis I who would gladly stand up and say.
Bless the friends that I love,
And the friends that love me,
And the friends o' me friends.
That's me wishes three.

Oh love is something if you give it away.
You'll end up having more

For it's just like a magic penny
Hold it tight and you won't have any
Spend it, lend it and you'll have so many
They'll roll all over the floor.

So- Love is something if you give it away
Give it away, give it away
Oh love is something if you give it away
You'll end up having more.

So let's keep dancing till the break of day
And if there's a piper she can play
Love is something if you give it away.
You'll end up having more.

Lullaby

3 part round

Lulla, lullaby
Lullaby, lullaby,
Sweetly sing to lullaby,
Lullaby, lullaby
Sweetly sing to a lullaby.

Magic

Chorus:

Magic is the sun that makes a rainbow out of rain
Magic keeps the dream alive to try and try again
Magic is the love that stays when good friends
have to leave
I do believe in magic, I believe.

When I was young I thought the stars were made
for wishing on
And every hole inside a tree must hide a leprechaun
Old houses all had secret rooms if one could find
the door
But who believes in Magic, anymore?

Chorus

As I grew up, the grown ups said, one day I'd wake
to find
That magic was a childish game I'd have to leave
behind
Like clothes that would no longer fit and toys that
I'd ignore
I'd not believe in magic any more

Chorus

But now that I have grown I've found, much to my
surprise
That magic didn't disappear, it took a new disguise
A child, a friend, a smile, a song, the courage to
stand tall
I still believe in Magic, after all
Chorus

Maiden, Maiden

Maiden, Maiden tell me true
What can grow without the dew?
What can burn for years and years?
What can cry and shed no tears?

Chorus: Tumbala, tumbala, tumbalalike
Tumbala, tumbala, tumbalalike
Tumbalalike, a-tumbalalike
Tumbalalike, a-tumbalalike.

Silly lad, the answer true,
A stone can grow without the dew;
Love can burn for years and years;
A heart can cry and shed no tears.

Chorus

Mary Had a Little Lamb

Mary had a little lamb
One and one makes two
Candles on a birthday cake
Blow them out and your wish will come true
Does he love me, does he not
Tell me daisy do
Oh, to be a child again
Oaks from acorns grew
One and one makes two
I believed in it all, didn't you?

Twinkle, twinkle little star
Angels 'round my bed,
Santa Claus at Christmas time
All these visions fill my head.
Lullaby and goodnight
Mom and Dad love you
Oh, to be a child a again
Oaks from acorns grew,
One and one makes two,
I believed in it all, didn't you?

Moon on the Meadow

Moon on the meadow, bugs in our ears
Smoke in our eyes, wet wood and tears
Up on the meadow, water somewhere
We were the only ones there.

Woodlands to Outpost, Flint Lake to Prairies,
Falling asleep to the sound of the fairies
Hiking to rainbows, sunsets, and stars
Just finding out who we are

We shall return here, one lucky day
Our hearts will guide us, they know the way
People in cities don't understand
Falling in love with the land

Moon on the meadow, bugs in our ears
Smoke in our eyes, wet wood and tears
Up on the meadow, water somewhere
With you, my friend, I am there.

My Paddle (Canoe Song)

My paddle's keen and bright
Flashing with silver
Follow the wild goose flight
Dip, dip and swing
Dip, dip, and swing her back
Flashing with silver
Swift as the wild goose flies
Dip, dip and swing

Peace I Ask of Thee O River

Peace I ask of thee, O River,
Peace, peace, peace.
When I learn to live serenely,
Cares will cease.

From the hills I gather courage,
Vision of the day to be,
Strength to lead and faith to follow,
All are given unto me.

Peace I ask of thee, O River,
Peace, peace, peace.

Puff the Magic Dragon

Chorus:

Puff the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honah Lee. (2X)

Little Jackie Paper loved that rascal Puff,
And brought him string and sealing wax
And other fancy stuff.
Together they would travel
On a boat with billowed sail,
Jackie kept a lookout perched
On Puff's gigantic tail.
Noble kings and princes
Would bow whenever they came.
Pirate ships would lower their flags when
Puff roared out his name.

Chorus

A dragon lives forever
But not so little boys.
Painted wings and giant rings
Make way for other toys.
One gray night it happened,
Jackie Paper came no more
And Puff the magic dragon
He ceased his fearless roar.

Chorus

His head was bent in sorrow,
Green scales fell like rain,
Puff no longer went to play
Along the cherry lane.
Without his lifelong friend,
Puff could not be brave,
So Puff that mighty dragon
Sadly slipped into his cave.

Chorus.

Rainbow

Red and yellow and pink and green,
Purple and orange and blue,
I can sing a rainbow, sing a rainbow
Sing a rainbow too.

Listen with your eyes, listen with your heart
And sing everything you see,
I can sing a rainbow, sing a rainbow
Sing along with me;

Red and yellow and pink and green
Purple and orange and blue,
Now we can sing a rainbow, sing a rainbow
Sing a rainbow too.

Rhody's Song

There's so many things I want to show you
A lonely star up in the sky
The way the water looks in early morning
The place I saw the wild ducks fly

Chorus: So come with me and find
All the dreams that circle through my mind
I need someone to share, all the riches that I see
With you there by my side,
We can find the rainbow's pot of gold
And the celebrate our lives
With the know we are free to be

I love the smell of pinewood forest
Sunrise is my favorite time of day
I love at night to sit around the fire
With friends to sing and guitars there to play

Chorus

And yet there's so much to discover
Where the mountains really are
Places that are right outside my window
Places that are distant and far.

Chorus

Rose Round

3 part round- sung with Ah Poor Bird

Rose, rose, rose, rose,
Shall I ever see thee wed?
I marry that thy will, sire,
At thy will.

Ding, dong, ding, dong
Wedding bells on an April morn
Carve your name on a moss covered stone
On a moss covered stone

Rose, rose, rose, rose,
Shall I ever see thee wed?
I marry that thy will, sire,
At thy will.

Ah Poor Bird

Ah, poor bird
Take thy flight
High above the sorrows
Of this sad night.

Say When

Say when, will we ever meet again?
Say when, will we ever meet again?
Say when, will we ever meet again?
Say when, my friend, say when.

Say where, and I'll meet you right there.
Say where, and I'll meet you right there.
Say where, and I'll meet you right there.
Say where, my friend, say where.

Say why, do we have to say good-bye?
Say why, do we have to say good-bye?
Say why, do we have to say good-bye?
Say why, my friend, say why.

Say when, will we ever meet again?
Say where, and I'll meet you right there.
Say why, do we have to say good-bye?
Say when, say where, say why.

Shalom Chaverim

3 part round

Meaning: Farewell, good friends
Shalom, chaverim;
Shalom chaverim;
Shalom. shalom
Le-hit-ra-ot, le-hit-ra-ot,
Shalom. shalom

The Sun is a Very Magic Fellow

The sun is a very magic fellow
He shines down on me each day
The sun is a very magic fellow
He shines down on me each day
He shines down on me each day

The moon is a typical lady
I watch her wax and wane

The rain is a very happy lady
She falls down on me sometimes

The wind is a very fickle fellow
Blows all my dreams away.

The sea is a very, very old man
Deeper than the deepest blue.

The stars are so very far away, love
Just between you and me.

The sun is a very magic fellow
Shines down on me each day.

Tender Shepherd

Tender shepherd, tender shepherd
Let me help you count your sheep.
One in the meadow,
Two in the garden,
Three in the nursery,
Fast asleep, fast asleep.

Tender shepherd, tender shepherd
Let me help you count your sheep.
One say your prayers,
And two close your eyes,
And three safe and happily
Fall asleep, fall asleep.

Two Bits

Sung in 2 parts as an echo between leader & group

Two bits in my pocket,
Harmonica in my hand,
As long as trains stay on the track
I'll travel this wide land

The chirping of the song bird,
Falls wheatley on my ear.
If they would ever cease to sing,
Then, I would shed a tear.

Beauty all around me,
It shows on every hand,
And when I go to sleep at night ,
This good fresh air smells grand

I shall earn my living,
By riding on a rail
And playing my harmonica,
As I walk on down the trail

Vine and Fig Tree

2 part round

And very man neath his vine and fig tree
Shall live in peace and unafraid (2X)

And into plowshares turn their swords
Nations shall learn war no more (2X)

Voyageur

Life of a voyager
That of a sojourner
Traveling around and round
But not from town to town
Travel the lakes and streams
Follows your distant dreams
Peace on the waterway
Blue sky and cloudy day

Chorus:

My heart has but one home
From which I'll never roam
Land of true happiness
Canadian Wilderness

Call of the lonely loon
Coyotes howling at the moon
Wind rustling through the trees
That's a Canadian breeze
Smoke rising from the fire
Up through the trees in stately spire
All is well as evening glow
Sun goes down, the north wind blows
Chorus

Walk Shepherdess Walk

Sung with descant

Walk, shepherdess walk,
And I'll walk too.
To find the ram with the ebony horn,
And the gold-footed ewe.

The lamb with the fleece of silver,
Like summer sea foam.
The weather with the crystal bell,
That leads them all home.

So, walk, shepherdess, walk,
And I'll walk too,
And if we never find them,
I shan't mind, shall you?

Where Does the Wind Come From

Where does the wind come from,
Does anybody know?
Where does the wind come from,
Before it starts to blow?
On Saturday night, where does he hang his hat,
Does anybody know where the wind is at?
Where does the wind come from,
Does anybody know?

Whimboway

(Lion Sleeps Tonight)

Part 1:

Way up boys, Whimboway
Whimboway, whimboway

Part 2

Whimboway, Whimboway
Whimboway, Whimboway
Whimboway, Whimboway
Whimboway, Whimboway

Part 3

In the jungle, the mighty jungle
The lion sleeps tonight
In the jungle, the mighty jungle
The lion sleeps tonight

In the village, the peaceful village
The lion sleeps tonight
In the village, the peaceful village
The lion sleeps tonight

Hush, my darling,
Don't cry, my darling,
The lion sleeps tonight
Hush my darling,
Don't cry my darling,
The lion sleeps tonight.

Who Can Sail

Who can sail where there is not wind
Without oars to be rowing?
Who can sail far away from friends
Without tears a-flowing?

I can sail where there is no wind,
Without oars to be rowing.
But I can't sail away from friends
Without tears a-flowing.
