Service Unit Product Manager
Fall Product Program

Help troops get a strong start to the year.

This role helps launch the Girl Scout year with a fun and engaging program that builds early momentum for troops. You play a key part in helping leaders feel confident and supported from the start.

What you'll do:

- Support troop leaders during the Fall Product Program
- Share updates, timelines, and resources
- Help coordinate a training meeting
- Coordinate Fall Product delivery station
- Answer questions and provide guidance
- Encourage participation and excitement

Your Year at a Glance:

August	Attend the Service Unit Product Manager training Secure product delivery station
September	Encourage volunteers to complete online cookie training
October	Assist with program wrap up
November	Manage product drop off and distribution Sort and distribute rewards to troops

Role requirements: Girl Scout membership, background check, all required training
Term: 3 years (option to renew after review)

Support you'll receieve

- Product Program team training and resources
- Ongoing council communication and updates
- Support from your service unit team

Why volunteers love this role

- You help start the year on a positive note
- You support leaders when they need it most
- You contribute to early success for troops
