Service Unit Product Manager Cookie Program

Support troops in the iconic Girl Scout Cookie Program.

This role helps girls build confidence, goal setting skills, and business experience through the Cookie Program. You play a key part in supporting troop leaders so girls can succeed. Coach others and be part of a high energy season.

What you'll do:

- Support troop leaders during the Cookie Program
- Share training, updates, and key information
- Help organize volunteer training meeting and cookie rally
- Coordinate initial order delivery station
- Answer questions and connect leaders with resources
- Encourage participation and positive experiences

Your Year at a Glance:

November	Attend the Service Unit Product Manager training
December	Encourage volunteers to complete online cookie training Host live cookie training for volunteers
January	Support the service unit cookie rally
February	Manage initial order drop -off and distribution Provide ongoing volunteer support
March	Assist with program wrap up
April	Sort and distribute rewards to troops

Role requirements: Girl Scout membership, background check, all required training
Term: 3 years (option to renew after review)

Support you'll receieve

- Product Program team training and resources
- Ongoing council communication and updates
- Support from your service unit team

Why volunteers love this role

- You help girls learn real world skills
- You support leaders during an exciting program
- You are part of a well-known Girl Scout tradition
