In March of 1912, Juliette Gordon Low gathered 18 girls in Savannah, GA to begin Girl Scouts. Since then, Girl Scouts has grown to be the largest organization serving girls in the United States—more than three million strong. Juliette’s outstanding leadership was matched by her stewardship. She converted the carriage house of her home into the first Girl Scout national headquarters, and she gifted the property to Girl Scouts in her will.

Juliette’s bequest was the beginning of planned giving to Girl Scouts. In her memory, Girl Scouts has created the Juliette Gordon Low Society to thank and honor friends of Girl Scouting who, like Juliette, choose to make Girl Scouts part of their legacy and a beneficiary of their estate.

We invite you to join the Juliette Gordon Low Society.

If you have already included Girl Scouts in your estate plans, join the JGL Society by submitting this card so we may recognize your support.
