My Gold Award aims to address this issue:

MY ISSUE IS:

The reasons I selected my issue are:

Tell us the story of how you decided on this project? It will need to be something you care about since you will be spending 80 hours on this!

The root cause of my issue is:

What is the root cause of this issue? ex. People are hungry. Why? Is it lack of money for food, lack of transportation, etc.

I will address the root cause by:

Address how your solution is different from other solutions you have researched? Research how other communities have tackled similar issues or problems.

The Target audience(s) for my Gold Award project is/are:

Who do you want to impact with your project? Target audience needs to involve local/nearby communities or state to meet minimum standards.

GO GOLD ONLINE QUESTIONS

The skills, knowledge, and/or attitudes my target audience will gain are:

It is important to know what you want people to gain from your work so you can also focus on how to measure if your project was able to help your audience attain the skills, knowledge, or attitudes.

I will know that my audience has gained the desired skills/knowledge because:

Gold Award Standard is 1-2 ways of showing that your project helped your target audience. How can you collect data throughout your project and use it to show that your actions have had an impact?

My Gold Award's national and/or global link is:

I have explored different points of view about the need. I now have a well-rounded understanding of this need in my community, and in the US or worldwide.

My Gold Award project's SMART goals are:

SMART goals are specific, measurable, attainable, realistic, and timely.

My Gold Award Will be sustained beyond my involvement by:

Sustainability is well thought out and shows who or what will be continuing the project after you are done. Creating a lasting change! If you move away, who will sustain your project?
