Honoring Veterans Service Activities

Girl Scouts throughout the States of Iowa and Illinois have always shown their appreciation to our Military and Veterans that serve to protect our freedom. Working together with Girl Scout alumnae and Veteran, Senator Tammy Duckworth girls will reach out, connect and discover ways to honor our Veterans.

To earn an Honoring our Veterans patch, complete 2 of the following activities to celebrate and honor a veteran in your life or community. Fill out the form at the bottom of this page, and bring it in to your local Girl Scout Shop. After you turn in your form, you will receive your patch to wear proudly on your uniform!
