YEAR AT A GLANCE

FALL

SEPT - OCT: Juliette's Birthday

Plan an Investiture and Rededication Ceremony for new and returning leaders at your September leader meeting. Have leaders check Pinterest and other online resources for ceremony ideas.

October 31 is the birthday of Juliette Gordon Low, the founder of Girl Scouts. It is always a fun time to learn about Juliette and celebrate what she started for us.

WINTER

DEC - JAN: Prepare for Adult Recognitions

Promote the volunteer recognition process. Are there troop leaders, community members or troop volunteers who may deserve a recognition for help they contribute? Submit at least two adult award applications by February 1.

JAN - MAR: Support your Service Team and Volunteers Through the Cookie Program

The Cookie Program begins on February 15. As the council's main source of funding and an excellent entrepreneurship opportunity for girls - it is all hands on deck!

SPRING

MAR - APRIL: Celebrate Girl Scout Holidays

Lots of GS Holidays! Celebrate GS Birthday in March and World Thinking Day at your Leader Meeting to help leaders understand the importance and significance of our global mission.

MAY: Evaluation and Plan of Work Meeting

Host a service unit bridging event and/or a year-end celebration.

SUMMER

JUNE - JULY: Wrap Up the Year

Meet with your SUD, service team and community engagement manager to discuss and submit the requirements for the President's Award. This is due July 31.

THROUGHOUT THE YEAR

Honor Accomplishments of Volunteers and Girls

Celebrate and promote Girl Scout Traditions and celebrate and recognize volunteers at April Leader Meeting for the work they are doing with girls in your communities. This is also a great time to support, promote, and recognize all High Awards for girls.
