

Service Unit School Organizer

YEAR AT A GLANCE

FALL

AUG - OCT: Promote and Organize

Recruit volunteers to help you recruit! Are there volunteers in your service unit who can help you make strong connections in schools and represent Girl Scouting?

Work with your Community Engagement Manager to plan for School Open Houses and Discovery Nights in schools. Help arrange local volunteers to assist in these events.

Help distribute flyers and help with Girl Talks where needed

Promote Discovery Nights in your community and schools through word of mouth, social media, etc. Use your connections with school admin, teachers, community people to identify potential troop leaders.

WINTER

NOVEMBER: Reflect and Celebrate

By inviting girls in the Girl Scout Movement, you're building the next generation of future presidents, astronauts, or Nobel Prize winners! The work we do would not be possible without volunteers like you.

Thank You!!

JAN - MAR: Support your Service Team and Volunteers Through the Cookie Program

The Cookie Program begins on February 15. As the council's main source of funding and an excellent entrepreneurship opportunity for girls - it is all hands on deck!

SPRING

MAY: Planning Begins

Complete or refresh your Online Training and confirm school start dates and school Open House dates and times.

SUMMER

JUNE - JULY: Evaluation and Plan of Work Meeting

Work with your Community Engagement Manager to schedule Discovery Night dates and locations. Recruit volunteers for school Open House and Discovery Night events in August - September.

THROUGHOUT THE YEAR

Assist in Organizing Recruitment Efforts at Area Schools

Partner with the Community Engagement Manager to assist in organizing recruitment efforts at area schools and support the plan to establish a Kindergarten Daisy troop at every Elementary School.
